Chamber of Commerce Office to Get Equipment Makeover Thanks to OTF Grant

Iroquois Falls – On Monday, the Iroquois Falls and District Chamber of Commerce (IFDCC) shared some exciting news with the community thanks to an \$8,000 grant from the Ontario Trillium Foundation (OTF). David Ramsay, MPP for Timiskaming-Cochrane, joined the group to congratulate them on their accomplishment.

“I’m so pleased that the McGuinty government continues to support important projects in Timiskaming-Cochrane through the Ontario Trillium Foundation,” said Ramsay. “This announcement is great news for the Iroquois Falls and District Chamber of Commerce and the whole community.”

OTF was able support the IFDCC with a grant this past March to help purchase new office equipment. The addition of the new office furnishings, two new computers and digital equipment will give the group the necessary resources to continue offering programs and services in Iroquois Falls and better serve their community.

The Iroquois Falls and District Chamber of Commerce (IFDCC) was incorporated in 1924 to provide the following services to the community: Ministry of Transportation Drivers and Vehicles Issuing Office, Authorized Purolator Shipping Agent, Pulp and Paper Tour operators, Tourism and Information Centre, World Wide Contact, Boating Exam Center, Dealer Licence Exam Center for the Ontario Vehicle Industry Council, Community Calendar of Events, Events and Promotion, Garden Town Celebrations. They also work with a voluntary association of citizens, united to promote the Commercial, Industrial, Civic, Tourism and Economic Development of the Iroquois Falls community. The Chamber of Commerce is the heart of a community that strives to promote businesses, organizations and the community as a whole.
